

Lab Honors and Recognition

Ortiz Lab Among the Inaugural Recipients of the American Association of Immunologists "Careers in Immunology" Fellowship Award. □

Ben Ortiz and Jordana Lovett were among the first 37 Awardees of this new, competitive program that provides a one-year fellowship to a PhD student or Postdoctoral Fellow in the Principal Investigator's laboratory. The award is highlighted on pages 26-28 of the document linked here: http://www.aai.org/About/Publications/AAI_Newsletter/PDFs/2014/AAI_NL_Dec_2014.pdf

Ortiz Lab Specially Recognized in NYSTEM 3-Year Report:

We were very proud to be one of ten labs specially recognized in the recent annual report of the New York State Department of Health's Stem Cell Research Program (NYSTEM). These labs are highlighted on pages 10-12 of the document linked here:
